

# GUIDELINES for *Salt Lake Valley Slotcar Association* 1/32<sup>nd</sup> Racing Started 1996

## Things to do at tracks:

**HAVE FUN**, these things are just toys. ☺

Please, if there is a large crowd practicing run only the cars that are racing that night.

If there are other people in line to practice, let them in to practice.

All cars will remain on track tables unless you are up. WHEN POSSIBLE

## Things not to do at tracks:

Please no braided juice on tracks or other cleaners.

**Don't get mad, everyone has a bad night.**

**Do not get in to other peoples boxes or cars with out asking!**

When we start racing do not play with any of your cars unless you are up.

There is **NO** working on any of your car unless you are up to race.

**NO ALTER CARS FROM STOCK other then items in Guideline.  
Any question, please ask before doing!**

Most of the Club has asked.

Please run one car in the race unless you have problem with the car you started with.

If you desire to race more than one car you will have a DNF.
